Dear All,

As part of mankind, we are together with all facing this unprecedented situation that arose from the Global pandemic – the COVID 19. In this circumstance, I wanted to reach out and extend our heartfelt compassion to all members of the society and especially to our valuable clients, suppliers, service providers, team mates, well – wishers and above all the healthcare workers worldwide who are on the front line taking care of the needy at this part of time.

On behalf of LAUNCH TECH WORK SHOP EQUIP TR, I would like to express our sincere support, care and extended customer services rendered to our clients based on the Healthy and Safety Regulations advised by the Government of UAE that inspires us to care for oneself and neighborhood and stand together to walk through the epidemic. Since all our customers, are supporting the smooth transportation and maintenance of the vehicles in the region, which in fact is the major necessity as of time to support with the necessary food supplies, medicines, energy sectors, we congratulate and salute the workforce of our clients (garages, workshops, service centers) etc. and would like to share the below details for your quick support.

Abiding by the UAE law, more than 80% of our team members have been advised to work from home and have been trained to handle the situation as well as to be more active and promising in customer care & support and to our clients & vendors. Utilizing the most modern digital technology in communication, online chats, softcopy documentations etc, we assure maximum support. We shall be just a “click” or a phone call away. For any of your immediate necessities our Sales team shall be just one click / call away for the most optimized solutions at the most affordable deals during the epidemic. All contact details are as communicated below for your quick note.

Our Technical Team led by qualified Engineers has been specially trained, monitored and advised to maintain good health discipline and maintain a clean and safe working environment is ready to extend their support and reach to your requirements in most convenient time schedules as per governing laws of UAE to assure that your most relevant and needed services of the equipment's & tools are being carried out without hindrance.

Should you have any valuable suggestions, feedback and guidance for us for the details mentioned herein, please write to: arun@datotech.de / cs@datotech.de or info@datotech.de

With Prayers and Best Wishes for a speedy recovery of the world;

Your's Sincerely,

Arun Sivanand
